

Material Safety Data Sheet

MANUFACTURER:

Company: Dalian Daxin Nonwoven Technology Co.,Ltd
Address: No.305 Jinwan Road, Zhanqian Street,
Jinzhou District, Dalian, Liaoning Province, China
[TEL:0411-87795111](tel:0411-87795111) FAX:0411-87795222
Department: QC Department

US Importer and Distributor:

Endo-Systems, LLC
2966 NW 60 Street
Fort Lauderdale, FL 33309
TEL: 954-636-3000
Email: customerservice@endosystems.us

1 . Product name Antibacterial wipes

2 . Composition / Information on Ingredients

Classification of the Substance or Mixture Mixture

Composition and content

Chemical Name	Chemical Formula	CAS No
Water	H ₂ O	
Bronopol	C ₃ H ₆ BrNO ₄	52-51-7
Benzalkonium chloride	C ₂₁ H ₃₈ NCI	139-07-1
Benzethonium chloride	C ₂₇ H ₄₂ CINO ₂	121-54-0
Methylparaben	C ₈ H ₈ O ₃	99-76-3
EthylEthanoate	C ₉ H ₁₀ O ₃	120-47-8

3 . Hazardous and Harmful Points

Harmful : No

Heterogenicity : No

Medical Teratogenicity : No

4 . Emergency Measure

When attached to the skin : Not applicable

When entering the eyes : Wash eyes with water immediately, If there is any abnormality, please take the doctor's diagnosis and treatment

5 . Fire Measures

Extinguishing agent : Water · Powder · Foam · Carbon Dioxide

Specific fire fighting methods : Not applicable

6 . Leakage Measure

No special restrictions

7 . Precautions for Use and Storage

Purpose: Wipe skin and disinfection of surface.

Use : Please stop using when the skin is abnormal or unsuitable.

When entering the eyes : Wash eyes immediately with running water for more than 15 minutes, and accept doctor's diagnosis and treatment in case of abnormality.

When drink it carelessly : Spit it out immediately and rinse with water. If feel abnormal, please accept the doctor's treatment.

Storage : Keep out of reach of baby.

To prevent the wipes from drying, keep them in a cool place away from light. Keep at room temperature where the sun is not direct.Keep away from heat and fire source.

8 . Exposure Prevention and Protective Measures

Ventilation equipment : Unnecessary

Hand protection tools : No opinion

Eye protection tools : No opinion

Other protection tools and equipment : Unnecessary

9 . Physical and Chemical Properties

Boiling Point(°C) : 78.3

Melting Point(°C) : 100

Ignition Point(°C) : 363

Vapor Pressure : Not applicable

Vapor Density : Not applicable

Proportion : Below 1.0(Water = 1)

Solubility : Not applicable

Volatility : Not applicable

For Water Solubility : Insoluble

Self reaction temperature : Not applicable

10 . Stability and Reactivity

Stability : Stable

Dissonance : Not applicable

Hazards of raw materials : Not applicable

Dalian Daxin Nonwoven Technology Co.,Ltd

DX (2020-0207)

Polymer hazard : Stable , not applicable

11 . Harmful Information

No opinion

12 . Environmental impact information

No opinion

13 . Disposal Considerations

The product does not contain chlorine series.
When it abandoned, it should be incinerated.

14 . Transport Information

Pay attention to water leakage, high temperature and humidity. Confirm whether there is any damage on the package. During loading and unloading, pay attention not to impact, drop, upside down, damage, and do a good job to prevent the collapse of goods.

15 . Applicable laws and regulations

PRTR Method : Does not contain designated substances.

Handling of recorded content

The information in this safety technical specification does not investigate all materials and documents, so there may be information leakage, and the danger and harmfulness cannot be taken as the basis of responsibility. In addition, precautions refer to general processing. If special processing is needed, please pay attention to this part of information.
