FACE ENDERMOLOGIE® SIGNATURE TREATMENTS

PERFECT EYES & LIPS - 30 MIN

This targeted anti-ageing treatment reduces puffiness and dark circles, smooths wrinkles around the eyes and mouth, replumps up the lips and enhances the eyelids to open up and refresh the eyes.

SKIN AWAKENING - 40 MIN

This treatment gently exfoliates the skin and stimulates cell renewal to smooth fine lines, tighten skin texture and even out skin tone while reducing pigmentation spots and skin blemishes.

HYDRATION BOOSTER - 50 MIN

This treatment stimulates the production of hyaluronic acid and boosts microcirculation to intensely moisturise, replump and smooth the skin while protecting it from external aggression and skin ageing.

DEEP CLEANSING - 1H15 MIN

Thanks to a double mechanical and chemical exfoliation of the face and neck, this treatment cleanses in depth and drains toxins to recover a healthy, uniform, radiant skin and rested features.

CELLULAR STIMULATION - 1H15 MIN

This complete anti-ageing treatment (face, neck, hands) stimulates the meridians to promote toxin elimination and energy flow circulation. It exfoliates the skin to unify, brighten the complexion and boosts cell regeneration to fill in wrinkles and firm the skin.
